Hi all. We are looking forward to the call on Thursday (per below), but wanted to let you know that Linda Holst is not available to attend the call. Hopefully, you are comfortable proceeding with the discussion with NPDES management and staff and our Office of Regional Counsel assignee (Rob Thompson).

We also wanted to confirm that we have tentatively scheduled a face to face meeting to get together with you on October 17th in Chicago that would include our Region 5 NPDES/ORC team and Linda. Please let Mark Compton know if this date still works for your schedules and we will get started with more specific arrangements and agenda development.

At this point, we are still awaiting word from our Headquarters counterparts as to whether they will be participating in these upcoming meetings, but will let you know when we find out more.

Talk to you all soon!

Candice
